

How to hard reset the HTC S620

NOTE – Hard resetting your PDA will return it to a factory default state and all user information will be erased.

1. From the **Home** screen, press the **Start** button.
2. Press **More**
3. Select **Accessories**
4. Select **Clear Storage**
5. You will be prompted to enter a code, enter **1234**

The PDA will not undergo a hard reset.
